

# FlipStraw

## Dual spray actuator

A dual spray actuator with a foldable straw, for homecare and technical applications

Lightweight, starting from 12.6g, it is compatible with LI and LIB valves and is equipped with our standard MBU inserts range with the possibility to accommodate the directional inserts as well. FlipStraw is suitable for a wide range of aerosol containers up to 66mmAlu / 65mmTP diameters.

### Product features:

- ✓ Dual spray: aerosol (insert) or precise drip (straw)
- ✓ Lightweight but robust, withstands high top load
- ✓ Available in different colours
- ✓ Includes tearaway tab
- ✓ Easy fitting on can, also by manual assembly
