## HDV actuator Plastic Brush

Product features and customer benefits

This high delivery valve actuator has been specifically designed for use on our LinRoc and BOC systems and fits on the stem of the A6000 valve.

One hand operated actuator, easy to clean, recyclable allowing accurate dispensing of greases and pastes.

### Product features:

- ✔ Use in combination with A6000 valve
- ✔ Suitable for greases & pastes
- ✔ Supplied with an over cap to protect the valve
- ✔ Ideal to access difficult areas
- ✔ Removable brush
- ✔ 360° usability when used with Linroc or BOC
- ✔ Improved recycling due to being injected in mono material
